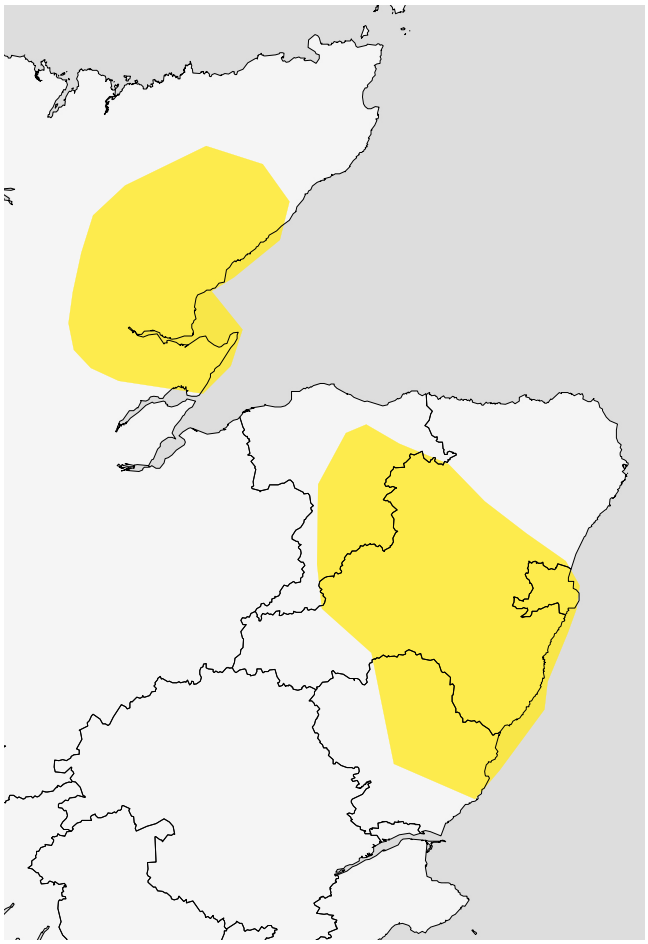
Yellow warning
Rain

Between
12:00 Sun 10 Dec 2023 and
21:00 Sun 10 Dec 2023



Rain, heavy at times, likely leading to some flooding and disruption to transport.

What to expect

- Flooding of a few homes and businesses is likely
- Bus and train services probably affected with journey times taking longer
- Spray and flooding on roads probably making journey times longer

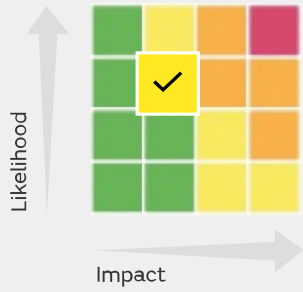
Further details

After a wet day on Saturday, further rain, likely becoming persistent and heavy at times, will affect parts of the warning area through Sunday, before clearing Sunday evening.

Much of warning area will see 15-30 mm, whilst the wettest spots could see 40 mm. On top of recent wet weather, some impacts are likely.

What should I do?

Check if your property could be at risk of flooding.



Medium likelihood of low impacts

21:00 Sun 10 Dec 2023

Further Details (continued)

If so, consider preparing a flood plan and an emergency flood kit.

Give yourself the best chance of avoiding delays by checking road conditions if driving, or bus and train timetables, amending your travel plans if necessary.

Be prepared for weather warnings to change quickly: when a weather warning is issued, the Met Office recommends staying up to date with the weather forecast in your area.
